

# **WORLD PEACE, THE ULTIMATE HOPE, COULD BECOME A REALITY**

THE FOUNDING FATHERS WHO CREATED THE UNITED STATES` CONSTITUTION THAT HAS GOVERNED OUR NATION SO WELL, WERE VERY SENSITIVE CONCERNING WARS: THIS IS WHY, THAT POWER - **THE POWER TO DECLARE WARS** - WAS DELEGATED TO THE LEGISLATIVE BRANCH, IN ARTICLE 1, SECTION 8 OF OUR CONSTITUTION. NOW WE, THE AMERICAN PEOPLE, MUST COME TO THE REALIZATION THAT THE SAFETY OF OUR NATION AS WELL AS THE FUTURE OF OUR ECONOMY, RESTS ON THE POSSIBILITY OF FINDING A WAY TO ESTABLISH - **PEACE** - WITH ALL OF THE WORLD`S SOVEREIGN NATIONS. ACCORDINGLY, IT WILL BE PROPER FOR THE UNITED STATES OF AMERICA, THE MOST POWERFUL BUT ALSO THE MOST COMPASSIONATE NATION IN THE WORLD, TO TAKE THE INITIATIVE AND LEAD THE WAY WITH THIS:

## **PROPOSED CONSTITUTIONAL AMENDMENT**

Section 1. The United States of America, unless necessitated by self-defense or in such imminent danger of being attacked, will not attack nor will invade any other sovereign nation without a properly executed Declaration of War.

Section 2. Nothing in this Amendment shall be construed as to deny or diminish the reserved right of the United States Government to be or to become a member of any World Organization for the purpose of the common good and defense.

Section 3. The Congress shall have the power to enforce this article by appropriate legislation.

PEOPLE FOR A FRIENDLIER WORLD, Inc. is a nonprofit organization incorporated exclusively to promote the above-proposed Amendment to the United States Constitution. Our objective is to work with the United States Congress toward approving a resolution that will allow the states` legislators to take action upon our proposed amendment. In addition, with the states` legislators to insure that they will apply the referendum process. Such an action will be the first in our political history that will allow - us - the electorate - the opportunity to decide for ourselves the outcome of an amendment to our Nation`s Constitution.

Luis Angel Soto (President)
